[San Juan County private well testing.docx](#)

Angela,

I edited our well testing work plan to include EPA as a partner. Please see the attached draft.

Also, since I am at home I cannot access the State Engineer well maps. Michelle or Trais can you grab those maps from Magneto and forward to Angela?

Thanks,

Dennis

Here is the link for information from EPA. EPA Region 8 just uploaded their initial data from samples collected near the mine. Are Environmental unit members are looking at this information now.

<http://www.epaossc.org/GoldKingMine>

Private well sampling contact from EPA Region 6 was John Rinehart(Personal Phone/Ex. 6) He will be coordinating with San Juan emergency management today.
